Student Resources:

Learning Center

Willamette Hall, WH-226
<http://www.linnbenton.edu/go/learning-center>
541 917-4684
[Email Learning Center](mailto:LearningCenter@linnbenton.edu)

The Learning Center is an informal, open study area, with tables and chairs, study carrels, good lighting, and dry erase white boards. Students can spread out their books and papers on our big tables, study with others or just sit in a study carrel and review their class notes. There are two study rooms that can be reserved for up to two hours a day. The Learning Center offers access to tutoring and other types of academic support, as well as computers, staplers, paper cutter, coin operated copiers and other tools useful in the preparation of papers and projects. For more information, see the website

Career Services

Takena Hall, TH-101
<http://www.linnbenton.edu/go/careerservices>
541-917-4780
[Email Career Services](mailto:CareerServices@linnbenton.edu)

The Career and Counseling Center has a variety of services to assist students and community members. Counselors provide career, educational and crisis counseling. Career and Employment Specialists provide assistance with career exploration, job search, resume writing and interviewing. Program coordinators for Cooperative Work Experience (CWE) and Service Learning are located in our Career and Counseling center as well.

Disability Services

Health Occupations, HO-114

<http://www.linnbenton.edu/go/disability-services>

541-917-4789

The Office of Disability Services (ODS) at Linn-Benton Community College plans accommodations for LBCC classes, activities, and events for students and college guests. ODS staff members offer information, planning and success coaching. A variety of services are customized, based on disability documentation provided by the student. LBCC does not test or diagnose disabilities. If you have a disability and feel that you will need accommodations as a student at Linn-Benton Community College, ODS is here to support you
