Students generally need to schedule an appointment in order to meet with a counselor. Arrangements will be made to see a student in crisis as soon as possible. Should you seek services with us, in your first visit with a counselor, you'll be asked to talk about your concerns. At that time, your counselor will work with you in deciding whether the services offered by our staff will best meet your needs, or whether a referral to another office/agency would be in your best interest.

Disability Services (Educational Support Programs and Services)	541.888.7439 or 541.888.7405 Fax: 541.888.7231 http://www.socc.edu/disability/

Policy - Students who feel they have a current and essential need for disability accommodations are responsible for requesting accommodations and providing qualifying documentation to the Disability Services for Students (DSS) office. Distance Education	<p>Help is available if you are having problems with logging into ANGEL for your online courses: Karen Matson at (541) 888-7345, kmatson@socc.edu http://www.socc.edu/distance/</p>
---------------------------	--

Distance education classes at Southwestern provide you with the opportunity to take classes off campus in a time-independent manner. Using the Internet and ANGEL students will receive weekly lectures, be able to complete assignments, be able to take assessments, actively participate in online discussions, follow web links to sites of interest for their class, and communicate, all in a virtual classroom setting. Successful distance learning students actively participate in class on a regular basis just like a face to face class. Taking courses through distance education is not easier, but they do allow more flexibility in your schedule reducing travel time and bringing education to you where ever you are.

The Veteran's Administration requires information concerning each veteran student's enrollment, date of interruption or termination of training, change in the number of credit hours and unsatisfactory progress or conduct. The benefits you receive from the Veteran's Administration (VA) are subject to specific terms and conditions. You will be given a VA Pamphlet of Responsibility that outlines the terms and conditions at the time you meet with the Veteran's Clerk. The pamphlet contains the signature portion which needs to be signed, dated and returned to the VA office immediately. This will become a permanent part of your file.
